**Care Provision Policies**

Welcome to our practice! It is our mission to provide you with excellent, compassionate care in a safe environment. We pledge to treat you with respect and dignity in a professional and caring manner and to transparent in our billing process. We rely on you to be an active participant in your care as you are ultimately responsible for setting your account regardless of your medical insurance coverage. We participate in a variety of insurance programs which aid in the payment of your medical cost. If you have concerns about our policies, your treatment, or your account, please notify our practice administrator.

In order to make our relationship with you the best it can possibly be, you need to be familiar with and agree to the following policies:

- To be as accurate as possible, we update personal demographics, insurance information, medical history and medications **at each visit**.
- If you have tests as part of your appointment, we promise to get the results to you as quickly as possible. Some tests/ labs are performed by outside parties, in such cases **they will bill you separately**.
- If you do not have insurance, choose not to file with your insurance, or if we are out of network with your insurance, a **minimum DEPOSIT of \$300.00** is due at the time of service for our **new patients**. For our **established patients** with the same designation, a **minimum DEPOSIT of \$175.00** is due at the time of service. Any additional charges (over the amount of the deposit) will be collected after your visit. Any overpayments will be refunded to you.
- If you have insurance, please bring your insurance card to every appointment; without it we cannot bill your carrier. We are required to collect co-payments and co-insurance and reserve the right to reschedule or cancel appointments to comply with insurance company agreements. If you have a deductible that has not been met, we will be collecting the amount of the visit and or procedures, **PRIOR** to being seen.
- Your health insurance policy is an agreement between you and your insurance carrier. We are responsible for understanding your own coverage. Your insurance company makes the determination of your eligibility. You authorize your insurance benefits to be transferred directly to the rendering provider and acknowledge you are financially responsible for paying any co-pay, co-insurance or deductible amounts. You agree to pay for services rendered within the limits of this care provisions policy.
- Missing your appointment or failure to give us 24 hours' notice of cancelling an appointment, creates an undue burden and increases the cost of care to other patients. Should you miss your appointments, you will be billed a **\$50.00 missed appointment fee**. If you miss 3 appointments, you will be dismissed from this practice.
- We accept cash, check, or credit card. We send two statements, after which delinquent accounts are turned over to a collection agency. You understand and agree that if we are forced to send your account to collection, **a fee of 50% of the unpaid balance will be added**. This amount shall be in addition to any other cost incurred directly or indirectly to collect amounts owed under this agreement.
- Your signature below signifies that you have read each item, understand your responsibilities as a patient and agree to the terms of services provided herein.
